How to Download SNU Audio files

To Download (CHI Members Area)
Left click any SNU file once Part 1 Part 2 Part 3
The file will begin to download automatically. Open the file to play
when download is complete.
Right click any SNU file once Part 1 Part 2 P**art 3**
Choose "Save Target As". In the small "Save As" window that pops up,
choose the file folder you wish to save the file in.

SNU Search Feature (CHI Members Area)
To search the entire SNU file directory, click **SNU Audio Archive**
Each Volume of SNU also has an independent file directory. Click **Archives**

To Download (New Website)
Click SNU at the top of the homepage on the Menu Bar Select **SNU**
Choose **Segments** or **SNU Volumes** on the left
Select a specific SNU Volume and Number. Click the title.
Left or right click the **Download** audio file

  *SNU **Guest Excerpts** will open and stream immediately with a left click

Media Players
You can use different media players to listen to audio files or watch videos
such as Windows Media Player, iTunes, RealPlayer or QuickTime Player. The
latest versions of these players are all available to download from the
internet for free. Use Google to search for and find them.
